CHARITY HEADS OR TAILS

Just £5 to enter!

How to play:

- ✿ It is a classic game of heads and tails. Heads is represented by placing both hands on your head. Tails is represented by placing both hands on your backside.
- ✿ The game begins with participants standing up behind their chairs with the MC asking participants to make their selection.
- ✿ The organiser then flips a coin.
- ✿ Participants who made the wrong selection are eliminated from the game and asked to take their seat.
- ✿ Participants who made the correct choice advance to the next round.
- ✿ Continuing the rounds until there is one person left standing, and they will be the winner.
- ✿ Winning an amazing prize too!

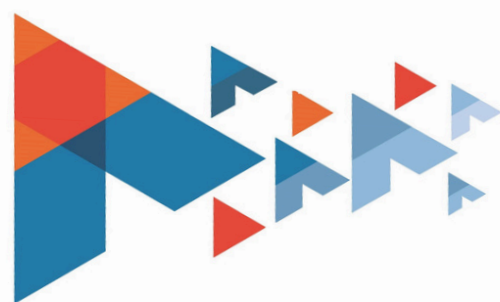

International Trade Events

UK exports have recently hit some records highs and are now at \$1.1trillion with 40% by value going via our local port being Heathrow. This means that the UK is now the world's 4th largest exporter, the 2nd largest exporter of services and the 3rd largest recipient of Foreign Direct Investment (the largest in Europe). Not bad for a small island at the top of Europe competing against countries with a much larger populations like China, USA, Germany and beating Japan and France.

This year your Chamber has held and participated in 27 International events. Our focus is to help exporters and foreign companies investing here, by signing a number of MOUs. This year we went on outbound trade missions to China and our own to Morocco! Next year we will be doing the same, so make sure you come along and find new market for 2025!

Check our website for the latest events!

Welcome from Alan and Sally

Another year draws to a close and what a record year it has been. Our membership continues to grow, and is now over 2,100 businesses. We have so far held over 75 events, including the Women in Business group, which is growing in numbers and is now a firm fixture in our diaries. We held an event to mark Black History month back in October and will be doing another in February to mark Black History month in the States. These events should not just be one a year! We have had 27 International Trade events (both Export and FDI). We increased footfall at the West London Festival of Business in February by 50%, the Regeneration Conference in May, the Charity Golf Day in July, which raised £2,500 for local charities, and cheques will be presented this evening. New for this year, we held our first Ealing Festival of Business in October with 41 stands and over 300 businesses coming through the door. This evening for the first time we are delivering the West London Chambers Business Awards in Brentford Football Club's fantastic Gtech Community Stadium.

As we are writing this, Sally has downed tools to go to Heathrow to catch a flight to Morocco for the Chamber's second trade mission foolishly leaving me (Alan) in charge to finish writing this welcome. Following a number of inbound visits from Morocco, we are taking a group of Chamber businesses to Casablanca and Dakhla to meet interested parties, and we hope that business will be done!

We are proud that Hounslow West has been chosen as a BITC (Business in the Community) 'place' and we will be working on that project to ensure the prosperity/viability of the area. We are hoping to launch the first BID (Business Improvement District) in Hounslow Town Centre and hope to go to ballot in the spring. If all goes well we have plans for Chiswick, Feltham and Brentford. We are proud members of the London Living Wage initiative, and the Good Business Charter. All these initiatives will only go to improve the social mobility of our boroughs.

We could not do all we do, without the support of our team (Lisa, Aya, Darius, Gerry and Kavin – we thank you!), the support of our Board and of course YOU, our members. You and your businesses are why we are here, striving to support you, our business community, or as we like to think of you, our business family.

Message from Cllr Shantanu Rajawat

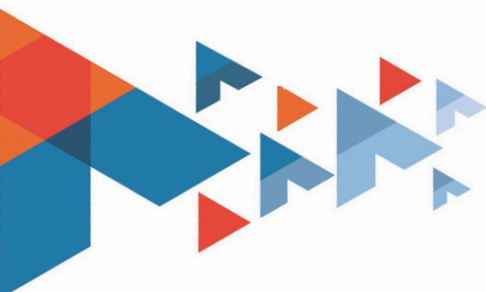

Hounslow Council is thrilled to once again sponsor the West London Chambers of Commerce 2024 Business Awards. Tonight, we celebrate the vibrant diversity, resilience, and achievements of our local business community. This awards evening is a fantastic opportunity to shine a light on the innovative businesses that continue to drive Hounslow's and the sub-region's growth and prosperity.

As we look to the future, Hounslow's focus on sustainable economic development aligns perfectly with the new national government's agenda for placemaking and inclusive growth. The Council's commitment to fostering a thriving economy is embodied in Opportunity Hounslow Business Case for Growth – a proactive strategy aimed at creating high-quality jobs, attracting investment, and supporting economic opportunities across our borough. Hounslow is proud to be recognised as a leader in regeneration, setting a standard for local economic development that resonates throughout London and the UK.

Our ongoing Hounslow Business First program offers a wide range of support resources, including coaching, mentoring, and digital skills sessions, helping businesses to build resilience and thrive in today's competitive landscape. Additionally, we're excited about the Advance for Growth initiative, now in its third year with the 2024 winner set to be announced this evening. This unique competition, supported by our partners at JCDcaux UK and the Chambers, celebrates the energy and creativity of Hounslow's startups and small businesses. The Advance for Growth prize package empowers emerging businesses by offering tailored guidance and invaluable visibility through digital advertising across the borough. Previous winners like Hang and Wild Chai have leveraged this platform to expand their reach and continue flourishing, setting a high standard for innovation and entrepreneurship.

In Hounslow, growth is more than economic—it's about building inclusive communities where everyone can share in our success. We are committed to a growth agenda that benefits both residents and businesses, positioning Hounslow as a true 'Gateway to London and the World'. This evening's awards are a testament to the strength of our business community and to the partnerships that make our borough's achievements possible.

Thank you to all the businesses that entered this year's awards, and congratulations to those shortlisted. Your success is Hounslow's success, and we are honoured to celebrate your achievements tonight.

Councillor Shantanu Rajawat
Leader of Hounslow Council

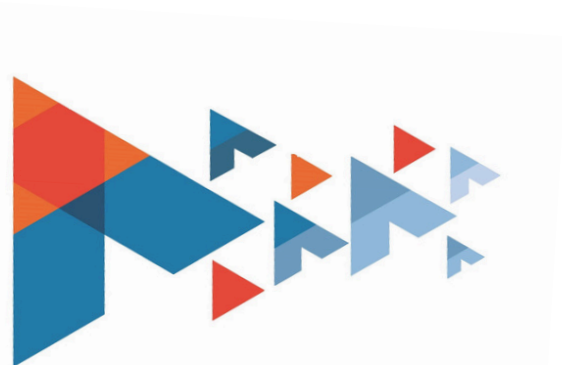

Message from Ealing Council

As a council, Ealing has committed to securing 10,000 new well-paid jobs as well as creating an environment that will enable more small and medium sized business to start up, grow, and thrive in our borough.

That's why we are working particularly hard to support businesses in Ealing, promoting economic development and entrepreneurial activity, especially focusing on the economy after 6pm and our campaign to encourage employers to become living wage accredited, while also supporting new and emerging growth sectors through our new plans for jobs and skills in the borough. And it's why we're pleased to be supporting the Business Awards 2024, celebrating and recognising the achievements of local businesses.

Congratulations to all the nominees and award winners for their contributions and dedication, and thanks too to the West London Chambers of Commerce for continuing to put on great events and giving us the opportunity to get together and champion our local businesses.

Message from Hammersmith & Fulham Council

Hammersmith & Fulham is proud to sponsor the West London Chamber Business Awards and to support businesses in H&F, and across West London.

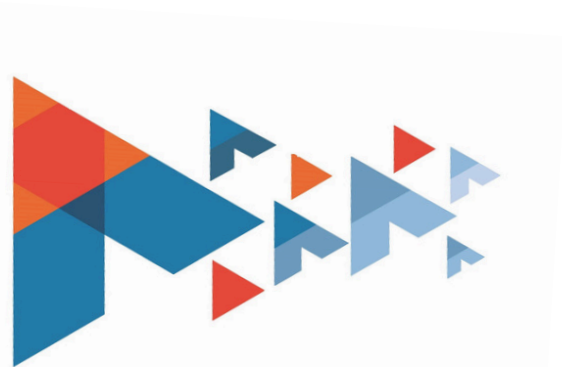

We believe local government has a role in supporting local business growth – from regenerating town centres to creating training and support opportunities.

We are home to a thriving business community across three town centres, five key local centres, 15 secondary high streets, and two Business Improvement Districts. The UK Competitive Index 2023 positions us as the sixth most competitive place to do business in the UK and the fifth fastest growing.

Our borough has the fifth largest retail market space in London and within our thriving local retail sector, 76 per cent is made up of independent businesses. The borough has one of the highest concentrations of start-up firms. Of our 13,000 businesses, 99 per cent are SME's.

H&F welcome West London Chamber's active support as a member of the Borough Business Network where, by working collaboratively, we can deliver outcomes that will support and facilitate economic growth.

Our congratulations to all the businesses that have been nominated for a Business Award. They demonstrate the innovation, depth, and variety of the business community in West London.

ANY TOOL FOR ANY TRADE

Woodford tools are designed to bring you a more specialist offering, helping you access the many products you may not be able to find in other merchants or online.

Starting back in 1977 in Chertsey as Dalforde we changed our name to Woodford Tools after new ownership in 1992 and relocated to Woking. After acquiring Crown Tools of Mitcham we now have two branches but over the years we have always maintained the highest expectation of service and quality tools & industrial consumables.

We have a comprehensive catalogue of supplies including a wide range of industrial consumables from abrasives, cutting, drilling, welding, fabricating and safety & personal protective equipment.

Our specialists can help businesses with individually tailored advice, selecting the right product for the job and ensuring they are stocked up with all of their essential consumables.

If you're looking to make more sustainable choices we are able to provide carbon footprint data across our range.

We understand what matters to our customers in markets that are increasingly competitive. Our 45 years' experience means we provide the highest quality of service and very best products.

With a great blend of knowledge, innovation, experience and commitment we are always looking for ways to make shopping for tools & consumables easier.

Woodfords continues to look for growth opportunities and will remain an established independent retailer offering great products at great prices. Contact us to see how we can help you save.

Both our branches have a wide range of tools & industrial consumables to rival our competitors, all available to collect or next day delivery.

2024 Business Awards

A special thank you to our judges this year!

The Judging Panel:

We would like to thank all our Judges for their hard work:

- ✦ Andy Bell
- ✦ Chris Durkin
- ✦ Chris Greenwood
- ✦ Elsa Caleb
- ✦ Gillian Stafford
- ✦ Mel Bruneau
- ✦ Mustafa Erdem
- ✦ Dr. Renu Raj
- ✦ Samar Whitticombe
- ✦ Shankar Devarshetty

The Judging Process:

The Winners and Finalist companies have been selected following a robust and unbiased judging process. Companies were invited to enter the Awards by completing a questionnaire and a shortlist was drawn up by independent judges.

The Winners have been chosen based on the outcome of the judging process. We wish to congratulate all the businesses who entered this year's awards.

The Awards Team:

- ✦ Alan Rides
- ✦ Sally Smith
- ✦ Lisa Rides
- ✦ Aya Nouwailati
- ✦ Gerry Holden
- ✦ Darius Ostovar
